

THE MALONE SOCIETY

ANNUAL REPORT, 1917

A the Annual General Meeting, 1st March, 1917, it was decided that the further suspension of the Society's work be left open. Owing, however, to the dearth of editors, due to the preoccupations of war-time, no work has been undertaken, and there is no activity to report.

Six new members have joined the Society.

The Statement of Receipts and Payments shows that the Society has, mainly out of subscriptions received for back years' publications, been able to purchase a further £50 of War Loan Bonds and to increase its balance at the Bank from £27 to £42.
